The DEAN Series

A design with mid-century sensibilities, meet the DEAN. The coolness of a minimalist metallic structure softened by the rounded edges of its glass top, the DEAN features a versatile silhouette that breathes space into any room.

Showcasing industrial design met with elegant lines, the metallic bases are available in the brand's signature black and brass finishes, topped with clear, smoked, or bronzed glass tops.

All GABRIEL SCOTT pieces are handmade in Canada.

The PRONG Series

Italian and Turkish marbles set atop its metal base, the PRONG collection evokes the image of fine jewelry complete with a precious stone resting above its pedestal. Through its reinterpretation of a classic geometric aesthetic, the PRONG offers a dynamic interplay of round contours intersecting with long delicate legs.

Base and hardware finishes available in black steel, brass, copper, and nickel.

All GABRIEL SCOTT pieces are handmade in Canada.

The BARDOT Series

A simplified silhouette that seduces the eye, the BARDOT stool offers a new perspective from every angle. By fusing a fine-profile black metal frame with contrasting hardware, the stool showcases its infinite possibilities. The BARDOT's pebbled *vegan* leather sits atop long legs for a textured finish, highlighting yet another intricate element of its innovative design.

The BARDOT is available in pink, gray, blue, or black leather in combination with satin brass, satin copper, or satin nickel hardware.

All GABRIEL SCOTT pieces are handmade in Canada.

The BOUDOIR Series

A classic seating silhouette reinterpreted, GABRIEL SCOTT plays with rounded metal lines and layering effects to create the BOUDOIR series. A pebbled *vegan* leather lining hosts a plush tone-on-tone fabric cushion sitting on top of the curved metal shell, fusing solid with soft. The BOUDOIR makes lounging an elegant experience by instilling depth and movement into each piece.

With brass hardware embellishments, the BOUDOIR is available as a daybed, chaise longue, loveseat or chair with ottoman. Various metal and leather colors available. COM & COL options available.

With a background in architecture, industrial design and jewelry making, Scott Richler brings a multidisciplinary set of skills and style to the furniture & lighting world as GABRIEL SCOTT, a chic and contemporary line of furniture and lighting fixtures.

All GABRIEL SCOTT pieces are handmade in their Montreal production studio where the young visionaries work together alongside their in-house team of industrial designers, engineers, and manufacturers to create and oversee each piece from inception to production. GABRIEL SCOTT's studio is located in Montreal's historically rich Garment District, a neighbourhood that pioneered Canadian fashion and design.

Since 2014, the exclusive line has been available to view at their flagship showroom, located in the beautifully restored Brewster Carriage House at the corner of Broome and Mott Streets in downtown Manhattan, and is now available in their London Showroom, Mayfair.
