Fast Track

With GUBI Fast Track we have more than 1.000 of our most loved products in stock ready to be shipped and replenished across Europe, at no extra cost.

We focus on the products you need quickly, so GUBI Fast Track is now available for our best-selling upholstered variants of the Beetle Dining Chair. A subtle color palette and a range of upholstery materials that provides the flexibility to suit a wide variety of interior schemes.

Fast Track also features the popular Pacha Lounge Chair in bouclé, Stay Lounge Chair in sheepskin – and all of our mirrors, lighting, storage and a selection of our most popular tables.

How it works

GUBI Fast Track items are deliverable anywhere in Europe within 4-13 business days once an order has been placed and confirmed.

Please note that certain upholstery products are not available as part of the fast track programme for the UK and Ireland. These are clearly marked with a double asterisk (**).

Conditions

- Order requests must be clearly marked as Fast Track and sent to order@gubi.com to avoid delays.
- In order to comply, a Fast Track order must not exceed €50,000 in value.
- As deliveries are based on current factory loads, partial shipments may, on occasion, be required.
- Despite our track record of delivering with 95% accuracy, lead times may occasionally be affected during exceptional periods of high demand. In such cases, any potential delays will be communicated in advance by GUBI.
- Orders that include both Fast Track and standard deliveries will default to the longest lead time.
